## A MESSAGE FROM OUR VICAR

### **St Margaret's Church Celebrating and Sharing God's love**

This is the last letter I will write as Vicar of All Saints' and St Margaret's. After nearly seven years, Helen and I are upping sticks and moving to Nottinghamshire to be nearer to our grown-up children.

It is with much gratitude that we journey on with very many happy memories of this season of our lives. It has been an enormous privilege to be your Vicar and thank you to you all for your friendship, good humour and fellowship in the life and work of God's kingdom in these parishes.

This morning I gave a 'Thought for the day' on Facebook – something I never dreamt I'd be doing six months ago. But these are exceptional times and I for one have really enjoyed the challenge of learning new skills in these lockdown days.

The focus of my 'thought' was Abraham – sometimes called 'Father Abraham' because he was the founding Father of our faith. God called Abraham to be his friend. He wanted to bless Abraham and his wife Sarah and to make them into a great nation, quite an idea at the age of 75!

God asked Abraham and Sarah to up sticks and to move to Caanan – a

land that was 'flowing with milk and honey'. He wanted to bless them and their descendants in order that they would be ... a blessing to the other nations of the world.

There remains today much sadness and isolation, and all the more in our post-lockdown world. The world needs people of hope and faith and love. Abraham and Sarah were such people BECAUSE they felt secure within the love of God.

I hope and pray that you too know God's love for you and your family and that that will enable you to have the confidence to be generous to those in need around you.

God has always and only ever wanted one thing: that we should know Him as our Friend and Saviour – the One whose love is unconditional – the One whose love for us enables us to reach out in love to one another – the One whose love for us drives out any fear.

*May God bless you and keep you;  
May the Lord make His face to shine upon you;  
May the Lord lift up the light of His countenance upon you and give you peace, now and forever more. Amen*

*Rev Peter Chantry*

## **NEWS FROM THE VILLAGE...**

*Betley Parish News* is online again this month as the usual printers are still closed. This edition covers July only; the easing of lockdown is developing as we go to press, so we are aiming to do a short updated online magazine at the beginning of August. If you normally publish information about a village activity in the magazine, don't forget to let us know what's happening! Village Tennis and the Bowling Club are back in action already, full details inside.

In this issue ... we say farewell to Rev Peter Chantry who's been here since 2013. See pages 12-14 for a special appreciation. Peter's final service will be on 26 July.

The national lockdown has brought great challenges and, inevitably, online criminals have also been taking advantage of the situation. On page 21 there is useful advice from Staffordshire about how to stay safe online and avoid being one of the many thousands who have recently lost money to cybercrime.

If you can, please help out friends and neighbours who rely on the print edition to see this version – thank you! And please also keep supporting our advertisers as they get back into business. We hope to be back in print from September.

## **BETLEY, BALTERLEY & WRINEHILL PARISH COUNCIL**

### **Covid-19 (Coronavirus)**

We continue to live under the restrictions imposed by the Government as a result of Coronavirus, although in recent weeks we have begun to see some return to normality. The work of the Parish Council, in conjunction with Dr Patel at the Surgery (01270 820527) and with Paul and Caroline Beardsmore at the Village shop and Post Office (01270 820544) has enabled the supply of medicines, food and household supplies to be maintained throughout. Delivery of medicines is working well, with deliveries most days. To date there have been over 100 separate deliveries. A canopy has recently been installed outside the shop to protect people from the worst of any weather. The canopy allows four people to keep dry (or even out of the sun) at any one time.

#### **VIPER details:**

The Parish Council's **Community Support Helpline** (CSH) number is **07716 051616**. This is primarily for those in the community who are self-isolating and others where their needs and/or their necessary support cannot be met by family or friends. **VIPER responsibilities** are as previously advised: Sebastian Daly – delivery of medicines & liaison with Dr Patel  
Robert Bettley-Smith - liaison with village shop and signage  
Richard Head - Village Hall (use of facility has not been activated)  
Neil Bullock- (07717 617454) police & traffic liaison

**Latest information is regularly posted on the *Betley & Wrinehill Events & Information Facebook page*. *The key point remains to follow the advice – protect yourselves, protect others and protect the NHS.***

### **Parish Council news**

The Parish Council took an early decision that to avoid any risk of spreading the virus it would suspend all activities that are inconsistent with health advice. The Council has continued to deal with essential business such as responding to any consultations (e.g. planning applications), meeting its financial obligations and taking up any local issues. The Council has also liaised with Aaron Bell MP, the Borough Councillors, and relevant officers of the local authorities and other agencies as appropriate. The Council is planning to meet by video conference in July - details will be posted on the parish noticeboards and the Council's website.

### **A kind donation**

Following the offer of a donation from Shirley Forde, who was an evacuee here in 1944, it has now been agreed to plant a 4.5m walnut tree on the Memorial Garden in memory of all the children and their families who were evacuated to this area during World War II.

### **Memorial Garden and Sandy Croft**

The Council is pleased that the Memorial Garden and Sandy Croft (Laudy

Follow us on Facebook!

7

Croft) have remained open to the public throughout the lockdown, as a result of the two areas being used sensibly and safely: thank you. We continue to make improvements to the Memorial Garden and, following the planting of summer bedding, the contractor (Luke Rimmer) has made a start on further improvements including the replanting of the rose garden round the noticeboard. Members of the Parish Council have assisted with this work.

**The Village Hall play area still remains closed, in line with Government legislation and statutory requirements, although tennis and bowls have now resumed.**

### **Speeding traffic**

One unfortunate side-effect of the reduced traffic volumes is that there seems to have been an increase in traffic speeds along the A531. We have been in touch with Staffordshire Police about this and have been assured that the police speed enforcement van has recently been deployed in the Betley area. The community Speed Watch team is not able to function at the moment owing to Coronavirus precautions. Please report any non-emergency & non-urgent traffic issues to Cllr Bullock at [bullock.neil@btinternet.com](mailto:bullock.neil@btinternet.com). Emergencies should be reported to the police by calling 999 or 101, depending on the situation. Please also advise Councillor Bullock of the incident number.

### **Crime issues**

Those of you familiar with the Betley & Wrinehill community page on Facebook will be aware of many recent comments about burglaries and petty thefts. Cllr Bullock is in close contact with the police and about the incidents. A male has been arrested in connection with recent burglaries in Betley. He has since been released on police bail on condition that he does not enter the parish, or Madeley. Police advice is to secure all outbuildings, garden gates etc.; and continue to support the local police by helping with their enquiries and making formal statements so that they can build robust prosecution cases as appropriate. It may be that a Neighbourhood Watch scheme should be set up. If you are interested please contact Cllr Bullock.

### **Next meeting**

Details of the next video conference meeting of the Parish Council in July will be available on the parish noticeboards or our website. Go to [www.hugofox.com/community](http://www.hugofox.com/community) and search for Betley, Balterley or Wrinehill.

# CHURCH for CHILDREN and YOUNG PEOPLE

## Praise and Play

Our toddler group has moved online for now, on Monday morning on All Saints' Facebook page. We've recently been joined by another vicar, Rev. Wilfred (pictured), who's been helping Rev. Peter lead the group.

**WHEN?** Every Monday at 10am live on All Saints Madeley Facebook page (you can catch up later too) – or on <http://tiny.cc/PraiseandPlay>.

## Kids' church

St Margaret's *Early Birds*, have joined forces with All Saints' *Towers* group for kid's church online every Sunday. It's been such fun for us to prepare it – never mind the children watching! – especially because the children are also involved in the videos that we put together. We're very grateful for the leaders and the children who have embraced the challenge of going online. Even if you're no longer 'young', you may still find it fun.

**WHEN?** Every Sunday, from 9.30am, on the churches' Facebook pages or on this link: <http://tiny.cc/kidschurch>

## Youth group

The youth group continues to meet on 2nd and 4th Sundays, and we've had a few new faces joining us. We've been looking at some big questions, such as What is friendship?, and Why there are so many things in the world that make us go WOW? - all surrounded by fun and games that are only possible online, such as rummaging around the house for clothes items and putting them all on at the same time. Our thanks go to our great volunteers, who offer so much support and encouragement, and who are braving this technological new world. We meet on Zoom, please contact [johnbpallister@gmail.com](mailto:johnbpallister@gmail.com) or [peterchantry@hotmail.com](mailto:peterchantry@hotmail.com) for details.

**Upcoming dates:** 12 July      26 July

*John Beswick Pallister*

### **Thought for the day**

If you like to take a few minutes to pause and reflect, join us every weekday for a thought for the day. As well as Peter and John, we'll have other contributors on Fridays. These are live videos on the All Saints Madeley page on Facebook, <https://www.facebook.com/allsaintsmadeley/>, but you can see them later on Facebook or on this link: <http://tiny.cc/tftd>

## BETLEY PRIMARY SCHOOL

The **Marvellous Minibeasts** have continued with their topic of 'Summer'. We have been looking at some of the minibeasts that enjoy the summertime and some children have made beautiful symmetrical butterfly pictures. In Maths, we have been learning about doubling, halving and sharing. For our writing challenge, we wrote poems about the summertime, using our five senses.

Well done to **Fabulous Flamingos** as you have adapted to the new home learning planning. I have been so impressed with the work and activities you are completing at home. Keep it up! This week children in Fabulous Flamingos have been learning all about money and I love the hands on learning children are doing at home with real coins! I hope you are enjoying the daily challenges and I love seeing pictures of your work and videos of you completing them.

Thank you. Friday's was my favourite so far and I made sure I did a big boogie in the classroom at school but I also loved all your cake designs too! Missing you all, stay safe and see you soon.

Another fantastic week of learning for the children in **Heroic Hedgehogs**. The children have been working especially hard on their creative writing skills this week; writing diary entries, non-fiction texts and newspaper reports based on this half term's topic of Magnificent Mayans. As well as this, the children have continued to complete daily Maths challenges and tackle tricky coding activities online. Keep up the hard work Heroic Hedgehogs.

The **Cheeky Chimps** have been extremely busy at home this week and it is fantastic to see so many of them completing the daily challenges and sharing their pictures with me. It really does brighten my day to see the fantastic work they are completing. Examples of the challenges the children have completed are planning and writing a story using different characters from stories, finding an object in their house or outside and sketching it, choosing a place around the world and writing a fact file about it, finding their favourite poem and sharing this with Mrs Johnson and producing a knowledge organiser for a historical period that they are interested in. I am so proud of them all for their attitude and how hard they are working.

### Massive achievement by Imogen

Well done Imogen who has completed a marathon during May on the treadmill whilst being shielded and locked down, in aid of the *Children's Liver Disease Foundation*. So far she has raised just over £7,000 and has achieved 95% of her target of £7,500 which is absolutely amazing. If anyone would like to donate her just giving page is:

### Art on display on the Stoke Museums Website

I am so proud of the Key Worker children at St Luke's and Betley CE Primary School. Have a look at the wonderful artwork that they have produced with Mrs Brown. We again have a gallery of our work. Well done.

**BETLEY LOCAL HISTORY SOCIETY** [www.blhs.co.uk](http://www.blhs.co.uk)

Hello again to our members from your Committee. Although we look forward to meeting again, it is unlikely to be before January as there will be restrictions on the use of the room to consider: how many can meet in the space etc.

Our main news at present is that the Committee are keeping in touch by email and we recently took a vote about the change of date of our Meetings. Currently, we tend to clash much of the time with the Parish Council on the last Thursday of the month. We agreed unanimously that we should in future

**MEET ON THE THIRD THURSDAY of each month.**

Once again, I recommend to you our website [www.blhs.co.uk](http://www.blhs.co.uk) as above, where you can find newsletters, old photographs and quite a lot of history of Betley. Go to **betleylocalhistorysocietygroup** on Facebook to see up to date information and discussions.

*Rhoda Farrington* (Secretary)

I am very pleased to tell you that our first Newsletter during the pandemic is free for all to see online. Rhoda has written a comprehensive account of life in Betley during lockdown. Hopefully in twenty years time this will be a reminder of how life suddenly changed for all of us. In the second article Shirley, our archivist, has revealed her skills of detection as a result of an email from the other side of the country about Betley. You may read the Newsletter by going to Google and typing in BLHS Newsletters, then go to Pandemic 2020, Issue 1.

From the beginning of this Society we have about 38 Newsletters on different topics concerning local history, and written by many different people. You may read these on the website except for the more recent ones which are reserved for members only. You may even read these at the cost of being a member for a year, which is £6.50. ## Betley Court Gardens

### Update June 2020

The first phase of clearance work to remove rubble and ash from the remains of Betley Court has begun. If you've passed Betley Court recently, you'll have noticed the arrival of two grey site buildings in the Peace Garden, that provides office space and a kitchen, along with a smaller unit providing a mains-connected toilet facilities for our contractors. Removing the rubble will allow experts, and our architect, the opportunity to inspect the remaining structure in more detail, before making recommendations on how to proceed.

In the gardens, we are soft-landscaping the area around the new visitors' hub. A selection of woodland flowers and perennials were planted in the borders in April. We are now turning our attention to the area uprooted when the large trees were felled. The perimeter of this area has been seeded with a mixture of British woodland and hedgerow wildflowers which will blend with the existing planting. In the centre, we are part way through sowing native woodland grass species to create a harmonious area of grass tussocks. We've also started building habitat piles from deadwood collected as we cleared the site. This will enhance the habitat for all manner of wildlife in the garden, including hedgehogs and beetles.

Further details of the garden project can be found in our weekly blog posts at: [www.deadgardenerssociety.blogspot.com](http://www.deadgardenerssociety.blogspot.com)

### **Current rules for court use**

From the LTA guidance notes the key points that you need to be aware of when playing are listed below. Complete guidelines can be found on the [lta.org.uk](http://lta.org.uk) website.

- 1) The net will be left at the correct height to avoid players having to adjust it. Please leave the net as it is.
- 2) Both singles and doubles play is now permitted with people from outside your household, as long as you remain 2 metres apart as far as possible – meaning that four people from different households can now play doubles.
- 3) Players do not now need to use their own tennis balls – however, if you choose to use shared balls then extra care must be taken to ensure you do not touch your face during play, and you should clean your hands before play and immediately after finishing (ideally take your own hand gel or wipes to use).
- 4) Players should still avoid using their hands to pick up tennis balls where possible - use your racquet/foot to return them to the required player.
- 5) Players should bring their own water bottle, and not share food or drink with others.

### **Subscription Rates and Hourly booking**

Subscriptions are available for 6 or 12 months starting from 1st April. Subscriptions give you unlimited use of the court including the use of floodlights to play in the evening. Email Judy Bettley-Smith - [judy.bs@btinternet.com](mailto:judy.bs@btinternet.com) to request a subscription form.

## **BETLEY METHODIST CHURCH**

I looked in my Bible Reader's Encyclopaedia and Concordance to see if the word "bubble" appears in the Bible? Guess what? It doesn't!! Suddenly, since 13 June, it has entered the vocabulary of some of us. It means that a single person can form a social bubble with another bit of our family and HAVE A VISIT! Perhaps the joy comes from overruling its opposite when the law declared that we could NOT visit our Mum, Dad, sister, brother, son or daughter during lockdown as we have always had the freedom to do.

Freedom to go into our Churches and Chapels we have taken for granted until now. Let's be very thankful to God that this is a temporary measure which we understand and not some sort of foreign oppression which has seized our land and our normal everyday living! In the meantime, we continue to conference call at Chapel, and to Zoom into St Margaret's Services and activities.

God bless until our freedom returns

### **Sanctus, St Mark's Supporting Asylum Seekers and Refugees**

Sanitary products and toiletries can be deemed a luxury that is unaffordable for many. Sanctus relies on the generosity of supporters to collect these items for them, through collection boxes in local churches.

St Margaret's is one such church. If you would like to donate, please leave your contribution in the church porch.

The Show has been cancelled, but the Scarecrows are coming ... as well as parish competitions in Photography, Tallest Sunflower, and for children: Art, and Story writing.

Every household in the parish should have received a leaflet with full details of Classes, entry rules and closing dates.

If you didn't get one, (or can't now find it!) check the Betley Show website, or ring Betley Court Farm on 01270 820229

Betley and District Village Hall Bowling Club

Tucked away behind the village hall, the tennis court, and the children's play area is the **Crown Green bowling club**. In its lovely village setting, it is now well established with a wide cross section of members. During normal times we have social activities, regular friendly events with other clubs, and opportunities to play in local leagues.

We positively welcome new members of all ages and abilities. We are open at the moment for members on a restricted basis so that we can maintain social distancing and stay safe. If you are interested in becoming a member then please get in touch and we can talk through how this can happen safely. The fee for new members in 2020 is reduced to £15.

## **Messages from Staffordshire Police and County Council**

### **Coronavirus-related scams**

To date, Action Fraud nationally has received reports from **2,378 victims of Coronavirus-related scams, with the total losses reaching over £7 million**. Criminals are using government branding in emails to convince you they're genuine. They are exploiting the COVID-19 pandemic to try and get their hands on your money and personal information. The majority of reports to Action Fraud are related to online shopping where products, have never arrived or have been sub-standard. Other frequently reported scams include suspects using the outbreak as a reason the victim can't come to see e.g. a vehicle or puppy they are selling and persuade the victim to make a payment in advance for a non-existent item. There are also a large number of fake TV Licensing emails.

### **How you can protect yourself from Coronavirus-related scams:**

There are some simple steps you can take that will protect you from the most common Coronavirus-related scams. Here's what need to do:

#### **1 - Watch out for scam messages**

Your bank, or other official organisations, won't ask you to share personal information over email or text. If you receive an email you're not quite sure about, forward it to the Suspicious Email Reporting Service (SERS):

[report@phishing.gov.uk](mailto:report@phishing.gov.uk)

#### **2 - Shopping online**

If you're making a purchase from a company or person you don't know and trust, carry out some research first. Check if others have used the site and what their experience was. If you decide to go ahead with the purchase, use a credit card if you have one, other payment providers may not provide the same protection.

#### **3 - Unsolicited calls and browser pop-ups offering tech support**

*Never install any software, or grant remote access to your computer, as a result of a cold call.* Remember, legitimate organisations would never contact you out of the blue to ask for financial details such as your PIN or full banking password.

### **NHS Test and Trace scams:**

The NHS Test and Trace service plays an important role in the fight against coronavirus and it's vital the public have confidence and trust in the service. However, we understand the concerns people have about the opportunity for criminals to commit scams.

#### **What you need to know:**

Contact tracers will **only call you from the number 0300 013 5000**. Anyone

who does not wish to talk over the phone can request the NHS Test and Trace service to send an email or text instead, inviting them to log into the web-based service. All text or emails sent by NHS Test and Trace will ask people to sign in to the contact tracing website and will provide you with a unique reference number. We would advise people to type the web address <https://contact-tracing.phe.gov.uk> directly into their browser, followed by the unique reference number given to you, rather than clicking on any link provided in the message.

**The NHS Test and Trace service will never:**

- ask you to dial a premium rate number to speak to them (for example, those starting 09 or 087)
- ask you to make any form of payment or purchase a product or any kind
- ask for any details about your bank account
- ask for your social media identities or login details, or those of your contacts
- ask you for any passwords or PINs, or ask you to set up any passwords or PINs over the phone
- ask you to download any software to your PC or ask you to hand over control of your PC, smartphone or tablet to anyone else ask you to access any website that does not belong to the government or NHS

If you think you have been a victim of fraud, please report it to Action Fraud at <https://www.actionfraud.police.uk> or by calling **0300 123 2040**.

### **Staffordshire Health App Finder**

Digital health and wellbeing apps can help you to manage your health at home, but there are thousands to choose from and not all apps can be trusted to offer clinically proven and up to date advice. To help you find trusted apps that meet your needs, we've set up an easy-to-use Health App Finder. It's a library of fully reviewed and handpicked apps proven to help with things like weight loss and fitness, stopping smoking and mental wellbeing as well as dementia, diabetes and cancer. ### **Help to heat your home**

Staffordshire Warmer Homes is an initiative managed by Staffordshire County Council to install free first time central heating systems in homes across Staffordshire. You can apply for this scheme if you live in Staffordshire, do not already have gas central heating, claim universal credit, benefits or tax credits, have low or no income, are disabled, elderly or have very young children. The team are now welcoming applications for installations in the autumn and they can take your application online or over the phone. Follow the link below for info. <https://tinyurl.com/y9tbq48j>
